

Dear Customer.

You have used our services on previous occasions, and I would like to take this opportunity to highlight additional services we now provide.

We have recently purchased a fabrication unit based in surrey, which will provide us with the facility to produce bespoke fabricated steel to meet your needs, at increased turn around speeds.

Please call our office if you require further assistance relating to the below, and our staff will be pleased to help.

STEEL ERECTING SERVICES LTD

Was founded in 1979 and has flourished over the past 27 years, being continuously involved on a vast array of prestigious projects and developments.

Our Portfolio of work varies from simple refurbishments, staircases and balustrading to refined steel work of multi-storey buildings, portal frame buildings, and truss work.

STEEL ERECTING SERVICES LTD
